Ascension: A Tangled Axon Novel: Jacqueline Koyanagi ...

Ascension by Jacqueline Koyanagi was an alright read that just needed more time spent in the planning stages. This book started out great, there was an interesting plotline about a woman with a chronic illness that struggled to afford to pay for her and her aunt's medication but she loved working on space ships and mechanical things so much, it was her calling in life.

This book made me happy in so many ways but there are two I want to highlight: Ascension does an amazing job portraying what it's like to live with a chronic illness and it successfully uses minorities (sexuality and race wise) as more than just plot devices. Thank you, Jacqueline Koyanagi, for this brilliant book.

Review #90 // Ascension (Tangled Axon #1) - Jacqueline ...

Ascension by Jacqueline Koyanagi (Tangled Axon #1) Alana Quick dreams of the sky and working on starships, she is a sky surgeon. She understands machinery much better than people, especially better than she understands her sprit guide sister Nova. One of Alana's many complications is the rare illness that can be crippling if left unchecked.
