At base, the markets are a con game where the rich and powerful employ a raft of confidence men to lure suckers into the latest mania. In this game, the suckers are the general public who are left holding the bag as the market bubble bursts while the smart money swoops in to buy up the leftover assets at pennies on the dollar.

Episode 401 - The Markets Are Rigged : The Corbett Report

Organizational structure - how to create or rebuild one. All businesses, whether you realize it or not, have an organizational structure. Yours might have formed and evolved organically, but it's important to be deliberate and thoughtful about your organizational structure - particularly as headcounts increase and the company grows increasingly complex.
