### Cruel but Not Unusual - WLU Press

Cruel but Not Unusual: Violence in Canadian Families is the first book to offer a national survey of the latest research and practice, and it reflects on the patriarchal roots and societal conditions in Canada that have led to the long-standing abuse of women and children. While feminist theories provide an overarching framework, a broad range of approaches is offered to examine and respond to critical aspects of this serious social problem.

In some cases, courts have stopped penal institutions from placing mentally ill inmates in solitary. In 2000, inmates and lawyers brought a class-action lawsuit against Boscobel, alleging cruel and unusual punishment. A federal court ruled in favor of the inmates and barred Boscobel from keeping minors and mentally ill offenders in isolation.
