Musical theatre is a form of theatrical performance that combines songs, spoken dialogue, acting and dance. The story and emotional content of a musical – humor, pathos, love, anger – are communicated through words, music, movement and technical aspects of the entertainment as an integrated whole. Although musical theatre overlaps with other theatrical forms like opera and dance, it may be ...

1970 was a very good year for network Saturday morning revenues, so 1971 brought a continuation of the shows that were working - along with remakes of proven series from the past. All three networks started giving in to pressure from parent groups to offer more educational, and less violent programs.
