Briggs & Stratton Small Engine Replacement Parts | Fast

...

After dumping tons of money into that second Tecumseh, it finally threw a rod through the side of the engine and blew off the starter motor. I got rid of that engine and got a hold of a 1996 Briggs Vanguard 16HP short block V-Twin, Mod. 303777 Type: 1145-A1. I call that tractor "old faithful" because it just keeps on going.

The Curt Spare tire carrier is a great product and works very well. I will be using this to hold the spare for my 1999 Ford F250 Super Duty in the Front Hitch. Again the product is of great quality and I like it..

Curt Trailer Hitch Mounted Spare Tire Carrier Curt Spare

...

If you live in a colder climate, you will need sort of enclosure for them to escape the winter winds and snows. I have a greenhouse that backs up the aviary and a hole cut into it with a rabbit hutch inside so they can freely come and go inside to keep warm at night or seek out a sun beam on a cold winters day.
