The detox effects that a hot (but not too hot) cup of lemon water has on your liver, pairs perfectly with the Keto diet. I used to be a "give me coffee" zombie in the morning and I found a cup of hot water with 1/4 lemon squeezed into it gave me the wake up I needed and the "warm cup of joe" feeling I loved.

The ketogenic diet can help with rapid weight loss, but can also result in serious side effects. Just because you're following a diet that tells you to eat more bacon and fewer carrots doesn't mean you should get carried away. Here are some common mistakes to avoid if you're currently on, or considering doing, the keto diet. You should always consult a doctor before going on such a program.
