There is definitely some great poetry in here. Love how Mirtha opens each chapter with a letter to give us the background or stories to the poetry we are about to receive. I also liked how it wasn't just about boyfriends in here life but all kinds of men that have helped shape and mold her or vice versa. Overall, it's a great read.

Men of Letters are "preceptors, observers, beholders, chroniclers" of mysteries not easily explainable or known to men. They had knowledge of mysteries of the supernatural and many arcane arts like alchemy. They also considered hunters to be inferior to them. Thus, their order only shares its secrets to the most elite hunters they deem to be worthy. The order was identified with the crest of ...

The British Men of Letters are the British branch of the original Men of Letters. However, they seem to have seceded from the organization, though what caused them to secede is unknown. They also have a complicated relationship with the current American branch representatives: Sam and Dean Winchester. After determining that the British branch was going too far, American Man of Letters and hunter ...
