Acer Aspire R11 Pentium Quad Core Laptops have become an essential part of your work.

Acer Laptops - Buy Acer Laptops, Notebooks Online at Low ...

I've attached a couple of pictures to this review so you can see the Acer monitor flanked by a 4k iMac and a new Samsung Notebook 9 Pro with a 1920x1080 screen as well. As you can see from the picture, they all look great. The Acer is a bit brighter though I think the picture does the screen some disservice because of the camera.

With Acer, they call their webcam as crystal eye so the webcam (the lens of the eye) has a label on the side indicating that the web cam is located there. You will also be able to look it in the laptop's specifications.

Where Do I Find My Web Cam On My PC? - Blurtit

Acer CB242Y is one of the best dual monitors, having features like 23.8" full HD and zero frame design. This monitor has zero frame design, that means we will have maximum visibility of the screen from one edge to another. The screen is designed by keeping the eye safety. It has reduced glare thanks to Acer low dimming and ComfyView feature.

LG V20 is an Android phone manufactured by LG Electronics, in its LG V series, succeeding the LG V10 released in 2015. Unveiled on September 6, 2016, it was the first phone with the Android Nougat operating system. Like the V10, the V20 has a secondary display panel near the top of the device that can display additional messages and controls, and a quad DAC for audio.
