with the dealer and the reply was "yes, that's correct." Nothing bad has happened after 100,000 miles (and it still only burns half a liter of oil in the 18,000 miles between changes, just like it did from new), so I guess the dealer was right.

Should I perform my first oil change at 1000 miles, or ...

The RevTech is a bit of a hybrid in some manors. the engine even though it is a "dry sump" style engine can hold more oil in the crankcase than a standard Harley. Now at the bottom of the sump plate, there are two set screws facing outward. They are directly connected to the oil sump and system.

Oil Change Redneck w/Revtech 110 - Club Chopper Forums

Had it in 3 days, oil change in 15 minutes, no problems since. The oil capacity depends on your oil bag, not the motor. I put 3 quarts in initially, but then on my oil change I called Harold to
