This book as all about the joy of eating and cooking and love. It's a lot better when it deals with food than with love. In fact, food is not only a metaphor for love and love-making but seems a more than adequate substitute. People have virtual orgasms cooking and eating but the sex is pallid and occasionally positively unappetizing.

Relationships and characters continue to deepen, the mysteries are even twistier and the pace has more lustre. Like the rest of the series, "The Food of Love" is exceptionally well made. The post-war period is beautifully evoked in the sumptuous but also atmospheric settings and scenery and charming costumes and period detail. It is beautifully shot and atmospherically lit, the dark grey-ish tinge being very appropriate and adding much to the overall feel of the episode.
